

SY83955-KIT DEMONSTRATION KIT

TOTALSOURCE®

FEATURED PRODUCTS

New Demo Kit for LED Lights Now Available!

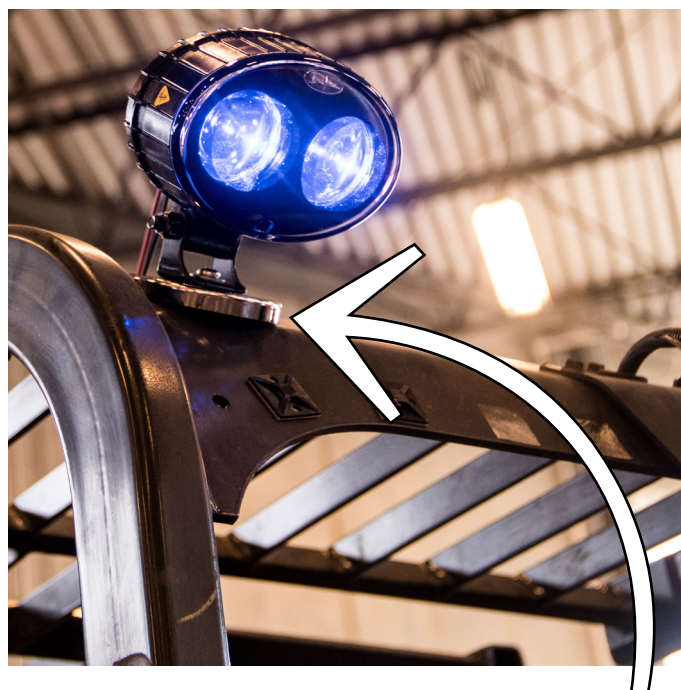

This kit is a great way to demonstrate a LED light on a piece of equipment without having to permanently install it.

Kit Includes:

- Rechargeable battery pack
- Magnet
- Barrel plug
- Hardware

Use the magnet to attach the light to the equipment. Then use the barrel plug and battery pack to give it power.

Order yours today!

Heavy duty magnetic mount to secure your light in place.
