ABOUT TVH

TVH is a leading provider of quality replacement parts and accessories for the material handling, industrial equipment and light construction industries. Our commitment to service, knowledge and product availability has made TVH the One-Stop-Shop for our customers.

CUSTOMER SERVICE PROMISE

We are dedicated to providing comprehensive, quality service from the initial quotation to the final product delivery.

- Highly trained staff continuously grow our 24/7 online parts research and ecommerce service
- 16 convenient locations across North and South America
- Industry specific training courses designed to enhance your employees' knowledge of new generation mechanical systems, emerging technologies and professional skills
- Next day ground delivery for 92% of the industrial truck population in the U.S.
- Over 85% customer satisfaction rating

QUALITY PARTS

TVH offers a large selection of products from internationally recognized manufacturers to provide you with the best quality parts for your light construction equipment needs.

We are committed to providing our customers with:

- An extensive inventory and access to 42 million parts to assure we have the right part in stock and ready to ship
- Strict quality controls to guarantee premium parts at the best price
- 80% of our products are the exact same as the OEM

We understand that our company only exists if we are a trusted source of products and services which help you to be successful. That's why we partner with these top brands to keep your light construction equipment running at its best:

Baldwin · Carraro · Curtis · Danfoss · Denso · Grammer · Hella · Loctite · Parker · Pix

QUALITY BRANDS

Our professionally trained staff are available to help with your toughest questions to ensure you get the part you need, when you need it. We offer parts and accessories for a variety of light construction makes to ensure our One-Stop-Shop promise.

Bobcat · Case · Caterpillar · JCB · John Deere · Kubota · Takeuchi · Volvo · Yanmar

QUALITY SERVICE

Our ecommerce website is the leading industry research tool which was developed specifically for TVH customers to provide them with all the information they need right at their fingertips.

- Information on over 450 makes and 20,000 industrial equipment models
- Ability to submit online research requests all day, every day
- Print or email product information and check availability of a part in any warehouse quickly and easily

ACERCA DE TVH

TVH es un proveedor líder de partes de repuesto y accesorios de calidad para las industrias de manejo de materiales, equipo industriales y construcción ligera. Nuestro compromiso con el servicio, el conocimiento y la disponibilidad del producto ha convertido a TVH en el Único Lugar de Compras para nuestros clientes.

PROMESA DE SERVICIO AL CLIENTE

Estamos dedicados a brindar un servicio integral y de calidad desde la cotización inicial hasta la entrega del producto final.

- El personal altamente capacitado aumenta continuamente nuestro servicio de investigación y comercio electrónico de partes en línea las 24 horas, los 7 días de la semana
- 16 ubicaciones convenientes en América del Norte y América del Sur
- Cursos de capacitación específicos de la industria diseñados para mejorar el conocimiento de sus empleados sobre sistemas mecánicos de nueva generación, tecnologías emergentes y habilidades profesionales
- Entrega terrestre al día siguiente para el 92% en la industrial de movimiento de materiales en los EE. UU.
- Más del 85% de índice de satisfacción del cliente

PARTES DE CALIDAD

TVH ofrece una gran selección de productos de fabricantes reconocidos internacionalmente para proporcionarle las partes de mejor calidad para sus necesidades de equipo de construcción ligero.

Nos comprometemos a proporcionar a nuestros clientes:

- Un inventario extenso y acceso a 42 millones de partes para asegurar que tengamos la parte correcta disponible y lista para enviar
- Controles de calidad estrictos para garantizar partes de alta calidad al mejor precio.
- 80% de nuestros productos son exactamente iguales a los de OEM

Entendemos que nuestra empresa solo existe si somos una fuente confiable de productos y servicios que lo ayudan a tener éxito. Es por eso que nos asociamos con estas marcas líderes para mantener su equipo de construcción funcionando al máximo:

Baldwin · Carraro · Curtis · Danfoss · Denso · Grammer · Hella · Loctite · Parker · Pix

MARCAS DE CALIDAD

Nuestro personal capacitado profesionalmente está disponible para ayudarlo con sus preguntas más difíciles para garantizar que obtenga la parte que necesita, cuando la necesite. Ofrecemos partes y accesorios para una variedad de equipo de construcción ligero que garantizan nuestra promesa de ser el Único Lugar de Compras.

Bobcat · Case · Caterpillar · JCB · John Deere · Kubota · Takeuchi · Volvo · Yanmar

SERVICIO DE CALIDAD

Nuestro sitio web de comercio electrónico es la herramienta de investigación líder de la industria que fue desarrollada específicamente para los clientes de TVH para proporcionarles toda la información que necesitan al alcance de su mano.

- Información sobre más de 450 marcas y 20,000 modelos de equipos industriales
- Posibilidad de enviar solicitudes de investigación en línea todo el día, todos los días
- Imprima o envíe por correo electrónico información del producto y verifique la disponibilidad de una parte en cualquier almacén de forma rápida y sencilla

À PROPOS DE TVH

TVH est un fournisseur de premier plan de pièces de rechange et d'accessoires de qualité pour les secteurs de la manutention, des équipements industriels et de la construction légère. Notre engagement en matière de service, de connaissances et de disponibilité des produits a fait de TVH le guichet unique pour nos clients.

PROMESSE DE SERVICE À LA CLIENTÈLE

Nous nous engageons à fournir un service complet et de qualité, du devis initial à la livraison du produit final.

- Un personnel hautement qualifié développe en permanence notre service de recherche de pièces en ligne et de commerce électronique, disponible 24 heures sur 24 et 7 jours sur 7.
- 16 sites pratiques en Amérique du Nord et du Sud
- Des cours de formation spécifiques à l'industrie conçus pour améliorer les connaissances de vos employés sur les systèmes mécaniques de nouvelle génération, les technologies émergentes et les compétences professionnelles.
- Livraison terrestre le lendemain pour 92 % du parc de camions industriels aux États-Unis.
- Taux de satisfaction de la clientèle supérieur à 85 %

PIÈCES DE QUALITÉ

TVH propose un large choix de produits provenant de fabricants internationalement reconnus afin de vous fournir des pièces de la meilleure qualité possible pour vos besoins en matière d'équipements de construction légers.

Nous nous engageons à fournir à nos clients:

· Un inventaire étendu et un accès à 42 millions de pièces pour garantir que nous avons la bonne pièce en stock et prête à être expédiée.
· Des contrôles de qualité stricts pour garantir Des pièces de qualité au meilleur prix.
· 80% de nos produits sont exactement les mêmes que ceux de l'équipementier. Nous avons conscience que notre entreprise n'existe que si nous sommes une source fiable de produits et de services qui vous aident à réussir. C'est pourquoi nous nous associons à ces grandes marques pour que votre équipement de construction légère fonctionne au mieux:

Baldwin · Carraro · Curtis · Danfoss · Denso · Grammer · Hella · Loctite · Parker · Pix

MARQUES DE QUALITÉ

Notre personnel formé professionnellement est disponible pour répondre à vos questions les plus difficiles afin de s'assurer que vous obtenez la pièce dont vous avez besoin, quand vous en avez besoin. Nous offrons des pièces et des accessoires pour toute une gamme de marques de construction légère pour assurer notre promesse de magasin à guichet unique.

Bobcat · Case · Caterpillar · JCB · John Deere · Kubota · Takeuchi · Volvo · Yanmar

UN SERVICE DE QUALITÉ

Notre site de commerce électronique est le principal outil de recherche du secteur. Il a été développé spécifiquement pour les clients de TVH afin de leur fournir toutes les informations dont ils ont besoin à portée de main.

- Informations sur plus de 450 marques et 20 000 modèles d'équipements industriels
- Possibilité de formuler des demandes de recherche en ligne toute la journée, tous les jours.
- Imprimez ou envoyez par e-mail des informations sur les produits et vérifiez rapidement et facilement la disponibilité d'une pièce dans n'importe quel entrepôt.

JC991/20022 	Hydraulic cylinder seal kit	85Z-1, 86C-1

HYDRAULICS *Hidráulica Hydroliques*

FEATURES:

- Quick connect and disconnect capability
- Rated Flow: 13.21 gallon per minute
- Rotate the knurled collar on the female coupler so that the ball and indent in the collar are mis-aligned. This will prevent the collar from being pulled back, which disengages and releases the female coupler from the male coupler.

	Description	Model
